

March 2019

Warehouse Attendant

Department: Service Department
Location: Macedonia, OH
Status: Part or Full time

Candidate qualifications and characteristics:

The ideal candidate will be able to follow specific instruction and retain information, have some basic mechanical skills, and have a proven attendance record in prior employment and/or education.

Employment Requirements:

High School degree or equivalent
Reliable transportation
Ability to perform physical aspects of the job (standing, lifting, etc.)

About the position:

Candidate will advance in responsibilities and compensation according to their ability to retain information, complete work on time and correctly, and exhibit additional potential.

Duties of the job include, but are not limited to:

- Warehouse organization
- Lift truck operation
- Staging of equipment for service, sales and rental departments
- Pressure washing incoming and outgoing equipment
- Inbound freight, assist in unloading and uncrating
- Outbound freight, assist in crating and loading

The Warehouse Attendant's daily responsibilities require independence and an ability to follow direction carefully and complete tasks on time, correctly, and with little supervision.

Job Benefits and Compensation, Full-time:

Employer sponsored insurance benefits
401k retirement plan
Seasonal Overtime
No Weekends or Evenings
\$11 - 14 / hour
Job performance and compensation reviewed after 90 days
